

Two More Cephalosporins Registered in the Philippines

The Philippines product portfolio has been enriched by the addition of two more Cephalosporin formulations. The details are as follows:

| Renata Brand Name | | | |
|--------------------------|---------------------------|-----------------------------|--------------------|
| <i>In Bangladesh</i> | <i>In the Philippines</i> | Generic and Strength | Dosage Form |
| Furocef | Bactipoz | Cefuroxime Axetil 250 mg | Tablet |
| Furocef | Bactipoz | Cefuroxime Axetil 500 mg | Tablet |

It may be mentioned that Furocef is the brand leader in the Cefuroxime Axetil segment in the Bangladesh market.
